Wine Club Referral Program

We know how much you enjoy your Lula wine and the benefits of being a Wine Club member. Now you can get \$25 off your next wine order by referring your friends and family to join the Lula Wine Club. It's very simple:

- Send us an email to wineclub@lulacellars.com with the name and email address of the person you are referring.

That's it ~ we will take it from there.

We will send your referral an email with a link to join the Club. Once they have signed up and taken their first order, we will take \$25 off your next Lula purchase. A win for everyone!

It is a great way to share Lula with your friends and family.

Cheers and thank you for supporting Lula Cellars!
