

Lula

2020 Gewürztraminer

Winemaker Notes:

Anderson Valley's cool climate is the perfect place for growing this classic Alsace variety. Sourced from the Lula Vineyard, the wine's appearance is light with lifted floral aromas. Citrus and stone fruits give way to a palate offering a lovely balanced persistence and sweetness.

Vineyard:

The 15-acre Lula Vineyard is in a cool, marine influenced region that is celebrated for its world-class wines. The vineyard is planted on a gently sloping hillside adjacent to Highway 128. The vines are grown meticulously to produce high quality, rich, concentrated grapes.

2020 Harvest:

This harvest was one for the history books. The growing season could have not been any more perfect and with that, great excitement for the resulting wines. Then back to back heat waves in August followed by a devastating fire season in California created a challenging harvest. Fortunately, Lula was able to respond by quickly harvesting these grapes and the end result in the glass is magic!

Winemaking:

During the making of this wine, every consideration was taken to preserving its delicacy and finesse. Hand harvested, whole bunch pressed and then fermented in small stainless-steel barrels. Post fermentation it remained on lees for several months and was stirred regularly to enhance freshness and texture. After a light filtration, the wine was bottled.
