

# SIMPLE APPLE CIDER WINE

**Serves 8**

## Ingredients

- 2 cinnamon sticks
- 3 cloves
- 3 tart apples
- 1/2 cup of sugar
- 1 tsp lemon juice
- 2 bottles Lula Zinfandel

## Directions

Peel and cut apples.

Place cinnamon sticks and cloves on a cheesecloth folded to double thickness. Gather corners, and tie with a string.

Place the spice bag into a crockpot or saucepan on the stovetop. Add the wine, peeled apples, and lemon juice

Cover and cook on low, leaving to simmer. You'll want to keep the heat low enough to avoid reducing, but warm enough to let the spices infuse.

Remove the spice bag before serving. Serve while warm
