2020 RESCUE BLOCK  
PINOT NOIR  
ANDERSON VALLEY

Located in the revered *'Deep End'* of Anderson Valley, Lula is a boutique winery passionately crafting distinct wines of great pleasure from our Estate and selected local vineyards.

When planting the Lula Vineyard in 2013 we discovered -1,000 vines overgrown by blackberries. Believed to have been planted in 2009, then abandoned, we spent years rescuing this block and bringing it back to life. This single block wine is rich purple in color with aromas and flavors of dark cherry, plum, earth, and spice. The palate is long and seamless with layers of silky tannins and toasty French oak.
